REGISTRATION REQUEST

I wish to participate in the RECORDING ROCK-ART FIELDWORK IN VALCAMONICA, organized by Dipartimento Valcamonica e Lombardia and Centro Camuno di Studi Preistorici, renouncing the intellectual and commercial property rights on materials and documentations produced during the Fieldwork. The fieldworks, which will be organized in two different periods, will integrate the traditional rock art research through the tracing on sheets of nylon, with the employment of new techniques. I wish to participate at

I PHASE (21ST JULY – 3RD AUGUST)

The first part of the fieldwork will focus on the following activities:

- Fieldwork: preparation of the rocky surfaces, tracing of the engravings on sheets of nylon, technical photography and cartography of the engraved rocks.
- In laboratory: Digitization of the tracings, processing and recomposition with computer, catalogue, analysis and comparisons with archaeological sources.
- Total station

II PHASE (8TH-14TH SEPTEMBER)

The second part will focus on:

- Photoplan/Photomosaic
- Georeferencing of the rocks
- Structure from Motion
- Post-processing of the data

The attendance is possible for both the work phases or, in case, only for the first one.

It won't be possible to take part only to the II phase.

I ENCLOSE MY CURRICULUM. We kindly ask to indicate only the activities concerning the archaeological research and the academic career. The application forms not accompanied by the curriculum won't be considered.

I know that the fee is fixed at € 200, comprehensive of inscription to Centro Camuno di Studi Preistorici (payable locally)
