Standing on the shoulders of giants / Sulle spalle dei giganti

**20th INTERNATIONAL ROCK ART CONGRESS IFRAO 2018**

VALCAMONICA Darfo Boario Terme (BS) Italy

# WELCOME!

On behalf of the organising committee and all our sponsors, it is our great pleasure to welcome you to the The 20th International Rock Art Congress IFRAO 2018 'Standing on the shoulders of giants/ Sulle spalle dei giganti'. We hope that this five-day conference (29th of August - 2nd of September) will provide a platform for the communication and advancement of new research through the collaboration and exchange of ideas.

We hope that this congress's productive environment for debate and discussion not only provides established scientists with the opportunity to put forward and develop new research but inspires and encourages new scholars to engage in the field of rock art research by 'standing on the shoulders of giants'.

This conference has been planned with you in mind. We hope that you enjoy it. Here's to a successful conference.

## 3° International Mountain Film Festival

Valle Camonica - Temù (BS) - Cinema Alpi - 28.8 - 1.9 2018

“Alps” is the only international mountain film festival in the Province of Brescia dedicated to the Alps and the Highlands of the world, organized by Montagna Italia Association, in collaboration with the Municipality of Temù and various institutions of Valle Camonica and the support of the Province of Brescia. An event dedicated to lovers of cultural tourism with the purpose to invite a new audience in Alta Valle Camonica in late summer.

Screening of movies and photographs, awards, meetings at Cinema Alpi in Temù, every evening from 9 p.m. From mountaineer to director, Reinhold Messner offers two compelling stories, respectively on Saturday 28th July and Saturday 4th August.

Special event in collaboration with the Proloco and the Municipality of Ponte di Legno: the presentation of the book “Aspettami sulla cima” by Giancarlo Pavan in Ponte di Legno, Saturday 1 September at 5 p.m. in XXVII Settembre Square.

IFRAO members, showing their badge, will have access to events in programming
